To Whom It May Concern:

I recently received HACCP Manager Certification and will be able to assist those in need of implementing a HACCP plan as well as proctor/training for those that wish to attain HACCP Manager Certification. Please feel free to pass this information on to those under your jurisdiction that may need Servsafe certification and/or a HACCP certification.

If you would like to host a group certification in your town I would need:

- venue (such as a room in the town hall, senior center etc...)
- date
- time for the class
- send me a list of establishments that need certification and I will contact them by mail and organize the class

Prior to sending the notice I would e-mail it to you to review for your approval. I will handle all the details.

Thank you for your time.

Sincerely,

Michael Sarasin
